

**2019 AJUSTED 2009 CRISIS CHAIR** Personally, I find one of the better collections but after checking the sales figures, it seems I am one of the few. Such a difference in opinion is never much fun, so I'm trying again. The 2009 crisis series, updated in 2019, will be presented during DDW this year. Worst case scenario is that the reintroduction becomes a non-selling classic.

we made prototypes in different types of wood:

scrapwood

cedar wood

pine wood

spruce wood
