

INTERNSHIP graphic design + photography

Do you want to develop your skills and discover your talents in an inspiring environment filled with art and design? Are you studying graphic design and do you have affinity with photography or eager to learn new skills? You can now apply for the position 'Internship graphic design and photography'.

You will be working closely with communication, PR and marketing team and have an active role in:

- Designing print media material (such as posters, flyers and stickers)
- Producing and assisting in product photo shoots and the styling around them
- Retouching and editing images
- Taking initiative in developing your own ideas and implement them
- Being up to date about the latest tendencies in visual culture and media

Our requirements:

- You are studying in the direction of graphic design, media and or photography.
- Basic knowledge of Adobe: InDesign, Photoshop, Illustrator, XD (or curious and eager to learn these programs). Experience in Adobe Premiere and WordPress is a plus!
- Able to communicate in English because of our international team
- Available from June 2022 until January 2023 for a full-time internship (you can also start earlier or later!)

About Piet Hein Eek

Welcome in the world of Piet Hein Eek, a world where everything happens in one place: producing, shopping, seeing, eating, drinking, sleeping and inspiring. An internship at Piet Hein Eek means you will be asked to work independently on your own projects, have fun in creating content about our products, objects and projects and that you want to contribute to this process. You will work together in a team with a common motive in which we all want to realize something inspiring and creative.

Are you interested? Send your CV, motivational letter and portfolio to marcis@pietheineek.nl. We will get back to you as soon as possible!
